

Dr. Jené Kapela is a lifelong educator and organizational expert who provides individuals and their teams with the tools and training essential to build dynamic and successful organizations. As a visionary leader and strategic change agent, her purpose is to develop talented workforces that strengthen organizations.

Jené has a unique perspective toward training and talent development, with a background in educational leadership, adult learner development, government, and leadership program management. This, combined with her doctorate in Organizational Leadership and natural strategic thinking ability, gives Jené powerful tools to understand the challenges organizations experience related to human talent and provide people-driven solutions in the forms of training, coaching, and talent management strategy.

She currently resides in Broward County, Florida where she serves in the full-time role as Learning and Organizational Development Specialist for Broward County. Additionally, Jené manages her own company, Kapela Leadership Solutions, a consulting firm specializing in leadership training and organizational effectiveness.

Jené is a current board member with PACE Center for Girls – Broward and Florida Children's Theatre. She is a former board member with Leadership Broward Foundation and a former founding member and Past Co-Chair of Emerge Broward, Ghost Light Society, and Women Leading Broward.

Jené is a graduate of Leadership Broward Class XXX, Leadership Fort Lauderdale Class 24, and a past member of the Leadership Broward Foundation Board of Directors. She has served as a past program chair for both the Leadership Broward and Youth Leadership Broward programs.
